_____ (Name/Company), hereinafter referred to as CUSTOMER, applies to South Jersey Gas, hereinafter referred to as COMPANY, for natural gas service to be installed to the residence (or residences of the development) identified under SERVICE ADDRESS listed above and hereinafter referred to as ADDRESS.

Upon receipt of this application, the COMPANY will begin the process of determining availability of service.

- Approval of natural gas service will be determined by the COMPANY at the discretion of the COMPANY.
- If the COMPANY determines distribution mains need to be extended or reinforced, APPROVAL OF THE APPLICATION will further depend upon the COMPANY'S decision to extend or reinforce such main.

The CUSTOMER hereby applies for natural gas service for the appliances indicated below, and further agrees such appliances will be installed at the ADDRESS (at CUSTOMER expense) if service is approved.

IF NATURAL GAS SERVICE IS APPROVED, the CUSTOMER:

- Will accurately mark out any underground lines that have been privately run. These shall include but not be limited to water, electric, fiber optics and telephone lines, all lines to outbuildings and sprinkler systems.
- Agrees that SJG and/or its subcontractors will not be responsible for any damages that may occur to underground lines or systems that are not accurately marked out by the CUSTOMER.
- Will be billed for service when the meter is set at the property.
- May be required to provide a security deposit equal to two months of average estimated billing at the applicable rate, but not less than \$25.00.
- May be required to contribute toward the construction cost of service and main.
- Will be billed a \$20.00 activation charge for each meter activated.

Applicant agrees to activate gas service within 90 days of installation. If the applicant does not, the COMPANY reserves the right to bill said applicant for the total cost of installation.

This application is neither an agreement to provide gas on the part of the COMPANY nor is it an agreement for the CUSTOMER to install appliances until the CUSTOMER receives approval from the COMPANY and the COMPANY obtains all necessary permits.

A NONREFUNDABLE \$15 APPLICATION FEE FOR EACH UNIT OR METER ON THIS APPLICATION IS REQUIRED FOR THE COMPANY TO PROCESS THE APPLICATION.

CUSTOMER is advised NOT to install natural gas appliances/equipment until approval is confirmed as outlined above.

Agreement to provide gas service is subject to the terms and conditions of the COMPANY tariff and any charges therein approved by the New Jersey Board of Public Utilities.

Thank you for your interest in natural gas. We look forward to serving you.

Following is a description of the steps necessary to install a gas service to your property if your application is approved.

1. Complete this Application for Service and return it with your \$15 application fee payment to:
South Jersey Gas
New Construction Sales
1 South Jersey Plaza
Folsom, NJ 08037
2. Please be sure to include a copy of your site plan or plot plan that clearly shows the location of your new home on your lot. The plan must include: setback dimensions, gas meter location, any obstructions and septic system, if applicable.
3. The Company's acceptance of this application for gas service does not constitute an approval of the application.
4. Once your signed Application for Service is received, we will complete a review of your requested meter location and apply for any required municipal permits to run the service. Please be advised, the municipality may deny a street opening permit.
5. When all items above are completed, your service will be installed.
6. After the service is installed, you must contact South Jersey Gas' Builders Line at 609-561-9027 to schedule an appointment for meter installation and to activate service within 90 days.

We will be pleased to answer any questions you may have to assist you with this process. Our offices are open from 8:00 a.m. to 4:30 p.m., Monday through Friday.

South Jersey Gas will now be setting the meter at the same time or within 2 business days of the service installation. All services will be installed in the location you originally requested or have marked out at time of installation unless otherwise noted. Service and meter will be installed regardless of house line being present at time of installation. Upon this installation the meter will be active and the account will start billing. The meter will have a low pressure stop on the house side in the off position with a tag. It is the contractor's responsibility to turn on appliances at that point.

*Items listed below **MUST** be verified by the requestor and **COMPLETED** before gas service is requested: (If information is inaccurate, additional charges will apply if service needs to be relocated after installation.)*

- House is framed and under roof**
- Lot is properly graded to + / - 6" of final grade.**
- For a low pressure service, access needed to building.**
- Gas service location is properly marked on foundation wall or staked.**
- All obstructions are cleared out of gas service installation area. (Street to House)**
- Septic system installed and marked, or not applicable (city sewer).**
