

Money-Saving Energy Efficiency Programs Offer Green Rewards to our Customers

What's in it's for YOU? The opportunity to increase your home's energy efficiency, improve your family's comfort, save money, lower your utility bills and benefit from rebates for going green!

What do I need to do? Start with a home energy audit conducted by a Building Performance Institute-certified Contractor. You'll receive a report on how you can improve your home's efficiency!

How do I get started? For more information, call 1-800-648-0138. Not an SJG customer yet? Call 1-800-822-9276 to get started!
