Dollars & Sense

Did You Receive an Estimated Bill?

You may receive an estimated bill if something like a locked gate or a loose dog prevented us from reading your meter. We base estimated bills on the average amount of gas used during the same period last year as well as the amount used in the previous month. Your next actual reading adjusts any inaccuracy.

If an actual meter reading shows more gas was used than we estimated (especially if we had to estimate your usage for two or more months), your next bill may be considerably higher. If that bill is at least 25% higher than your prior estimated bill, you may pay the difference owed over the next few months. Upon request, we'll accept payment of the difference over a time period equal to the number of months we estimated your usage. Call us to make arrangements.

Community Relations

Congratulations to the winners of the South Jersey Gas "Game On" Grants program. Twenty local organizations were awarded \$1,000 grants to provide critical support needed to sustain local, community-centered athletic programs, leagues, clubs, associations, and recreational organizations for youth ages 4 -18.

Chosen lottery-style, winners were selected from nearly 100 applicants throughout the South Jersey Gas service area. Eligible programs included traditional youth sports, such as Baseball, Basketball, Softball, Soccer, Football, Cheerleading, Lacrosse, and Swimming. Many winners received a visit from South Jersey Gas at their Opening Day Ceremonies and posed for a photo with the big check!

Stay tuned to the "In The Community" section of the South Jersey Gas website, www.southjerseygas.com, for more information about the "Game On" grants program, which will be accepting applications again in early February 2017.

Safety

Check ID - Who's Reading Your Meter?

Your gas meter is read by a representative from Millennium Account Services. Millennium employees are required to wear ID badges, which display the employee's photo, signature, full name, and company logo. If a meter reader asks to gain access to your home and cannot or will not show ID, call the police immediately. If in doubt, please call 1-888-766-9900.
