> Re: In the Matter of South Jersey Gas Company's Annual Compliance Filing for an Increase in the Universal Service Fund and Lifeline Rates Within the Societal Benefits Clause Charge BPU Docket No. EX000200091

In the Matter of South Jersey Gas Company's 2017/2018 Annual Compliance Filing for the Universal Service Fund and Lifeline Rates Within the Societal Benefits Charge BPU Docket No.

Dear Secretary Asbury:

Enclosed with this letter please find an original and 2 "courtesy" copies of South Jersey Gas Company's ("South Jersey") 2017/2018 filing for an decrease in the Universal Service Fund ("USF") rate and a decrease in the Lifeline Rate within its Societal Benefits Charge ("SBC") clause, which has also today been filed electronically utilizing the Board's e-Filing Program. Each of the State's gas public utilities is expected to make a compliance filing under the above-referenced docket number, proposing the same rate changes in their USF and Lifeline factors. The rates contained in the proposed South Jersey Tariff Sheets were calculated in accordance with a template identified as Attachment A (the "Template"), which we understand Public Service Electric & Gas Company is submitting with its filing in this docket.

In its Order in Docket No. ER16060536, the Board approved on an interim basis, USF and Lifeline rates of \$0.0076/therm and \$0.0051/therm, respectively, for the 2016/2017 program year. As administrator, the State of New Jersey's Department of Consumer Affairs authorizes the disbursement of USF benefits to eligible customers. Based upon the results known to date for the 2016/2017 USF program year and the available estimates for the 2017/2018 USF program year, it is proposed that the state-wide gas USF rates should be set to recover \$18.1 million. In accordance with the Template, the proposed USF rate for the 2017/2018 USF program year is \$0.0042/therm (including SUT). Additionally, the details for the state-wide gas recovery of the \$21.6 million Lifeline program budget are set forth on the Template and depict a proposed Lifeline rate of \$0.0049/therm (including taxes).

If approved by the Board, the impact of the proposed decrease on South Jersey's residential and general service customers would be as follows:

# **Residential Service (RSG)**

Therm Level	Bill as of June 23, 2017	Bill as of October 1, 2017	Dollar Decrease	Percent Decrease
25	\$37.17	\$37.08	(\$0.09)	(0.20%)
100	\$119.82	\$119.46	(\$0.36)	(0.30%)
200	\$230.02	\$229.30	(\$0.72)	(0.30%)

# General Service (GSG) (Using less than 5,000 therms per year)

Therm Level	Bill as of June 23, 2017	Bill as of October 1, 2017	Dollar Decrease	Percent Decrease
500	\$513.00	\$511.20	(\$1.80)	(0.40%)
1,000	\$996.88	\$993.28	(\$3.60)	(0.40%)
2,000	\$1,964.64	\$1,957.44	(\$7.20)	(0.40%)

In accordance with the Board's July 16, 2003 Order, South Jersey has appended hereto as Exhibits A and B, clean and black-lined copies of the proposed Tariff Sheets effective October 1, 2017, respectively.

South Jersey requests that the Board issue an order approving its proposed tariff sheets attached to this letter as Exhibit A, effective for service rendered on or after October 1, 2016, as provided in the Board's June 22, 2005 Order.

Thank you for your assistance.

Respectfully submitted,

Mitchell
