

HOME WEATHERIZATION FOR INCOME-QUALIFIED CUSTOMERS*

FREE In-Home Audit, Testing, Repairs, and Upgrades to Save Energy and Money

A certified contractor will perform an in-home energy audit, identify improvements that can save you money on your energy bill and provide you with a report outlining opportunities to help make your home healthier, safer, and more energy efficient. The audit includes:

- Diagnostic testing and visual inspection of major home appliances and heating/cooling systems
- Installation of showerheads, faucet aerators, LED lightbulbs, advanced power strips, and a smart thermostat
- Personalized report summarizing energy saving opportunities

All at no cost to you.

For more details and to see if you qualify, visit SJGSaveEnergy.com/HW23

*Requires income within 251 – 400% of the Federal Poverty Guidelines.
Visit SJGSaveEnergy.com to learn more.
