Save More With Energy Saving Incentives

Discover ways to save energy and money exclusively for South Jersey Gas customers.

SOUTH JERSEY GAS®

Energy savings made easy

Get started with a no-cost Whole Home Energy Assessment

Schedule a home visit with one of our Energy Experts to identify ways to save energy, improve your home's comfort, and improve your home's comfort. PLUS, you may have more energy-efficient equipment installed, such as:

- Water heater pipe insulation
- Efficient-flow showerheads
- Faucet aerators
- Smart power strips
- ENERGY STAR® certified LED bulbs

Keep saving with personalized programs for your home.

Whole Home Energy Solutions
A participating contractor will perform an audit which will provide specific, tailored improvements, taking a whole home approach to energy efficiency. Decide which solutions best fit your budget and enjoy rebates up to $6,000 on upgraded energy efficiency equipment, plus you could qualify for 0% APR with our On-Bill Repayment Program.

HVAC and Water Heating Financial Incentives
Save up to $1,750 in rebates and qualify for 0% APR On-Bill Repayment with the purchase and installation of eligible natural gas heating, cooling, and water heating equipment.
