

South Jersey Gas

# Enroll in Budget Billing/Equal Payment Program

*Want to know exactly how much you'll pay  
each month?*

## **STEADY PAYMENT AMOUNTS AVAILABLE**

The Budget Bill approach helps you establish steady payments to eliminate the ups and downs of monthly gas bills. It divides your estimated annual natural gas costs into 12 equal payments so each month your payment amount stays the same. An annual review of your natural gas usage will determine if the monthly budget billing amount needs to change.

Sign up today by simply completing the enrollment form on the back and including it with your payment in the return envelope.
