

# Neighbors helping neighbors.

NJ SHARES helps those who don't qualify for other assistance programs – ordinary people like you and me who are struggling because of a job loss, illness or other misfortune. By providing grants to pay their past due utility bills, NJ SHARES helps them avoid shut-offs and lets them get back on their feet.

Thanks to your donations, NJ SHARES has helped more than 184,000 households stay warm while they weathered a temporary financial crisis. Please see the back of this flyer to learn how you can help your neighbors in need. Thank you!
